

Department of Inland Fisheries and Wildlife

Long Pond Trout and Salmon Fisheries Past, present and future

Join Department of Inland Fisheries and Wildlife Regional Fisheries Biologists for a discussion on the future of the Long Pond trout and salmon fisheries. Biologists will provide an update on the current fisheries, and discuss future plans concerning trout and salmon management on Long Pond. The meeting will include a question and answer session. Please mark your calendar for:

Tuesday, August 18, 2015

6:00 p.m. - 7:30 p.m.

at

Maine Lakes Resource Center

137 Main St, Belgrade
